

# A CHRISTMAS CAROL

BY CHARLES DICKENS | ABRIDGED ADAPTATION BY GEOFFREY SIMON BROWN

Theatre Calgary is thrilled to bring *A Christmas Carol* to life online. We have missed our community. While we can't wait to be in our physical space, we want to offer you some exclusive behind-the-scenes experiences. The holiday season is a time of celebrations and gatherings, and we believe it's important to bring audiences together even if it looks a little different. Join us as we keep the tradition alive in this non-traditional way.
